1. Remove CD circle holder from center of case.

2. Place dot circle and three tree stamps on acrylic block and stamp onto green cardstock using green ink.
3. Place round Christmas and cursive merry stamps on acrylic block and stamp on red cardstock using black ink, then punch out using 1.5" scallop punch.
4. Punch 2" white circle and ink edges in red.
5. Adhere red scallop circle to white circle, then adhere to green cardstock using 3D foam adhesive.
6. Run ribbon through one side of spiral clip and attach all to green cardstock using square brad.
7. Run ribbon around the back of the green cardstock, then through the other side of the spiral clip and adhere using square brad. Trim ends of ribbon as needed.
8. Mount green cardstock to white cardstock.
9. Stamp tag outline and Merry Christmas onto red cardstock, then cut out.
10. Flip tag over to the wrong side, place gift card inside, and apply 1/4" square foam adhesives around edges of gift card to create a pocket to hold the card.

11. Adhere tag to bottom of patterned paper.
12. Slide gift card into tag pocket.
13. Use clear adhesive in the corners to attach green paper with gift card to the inside of the CD case.
14. Slide front into the tabs on the front of the case.
